As of right now, I have been told that the remaining CL's are on HOLD.
The last three that received mobilization packets will be checking in tonight or tomorrow are the ones mentioned email.

Thanks –
Mike

Hi Mike - Can you please confirm whether all of the Community Liaisons originally slated to arrive on 9/10 and 9/11 are still coming? I'm asking because we are forming into our teams and may need to move people around if not all are coming.
